

FEBRUARY 2020

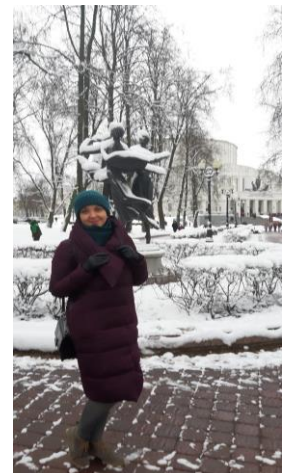

Following on from last month's explanation about the Bethlehem Peace Light, representatives of the Association of Belarussian Guides took part in the passing on of the light on JANUARY 6th, their Christmas Eve. It was taken from Minsk, to Zhodino and then up to Borisov.

On Jan 8th Guides and Birds from Paddington Bear group were invited to join with girls in Borisov for "A Christmas trip to the World Centres" - a virtual journey - which included playing games, singing, crafts and tasty food.

There has been plenty of snow in Belarus. This is Olga, by the ballerina statue outside the Opera House.

More craft materials have been donated and will be going out soon.
